

Community of Practice Kick off Canvas

Community name

Something easy to understand for others

Community rhythm

How often, when and where will you meet? When will your first meeting be?

Community members

Who should join the community?

What are their job role(s), concerns, passions or interests?

Community leaders / Core members

Who are the people taking a role in running the community and keeping members motivated and coordinated? What will they each be doing?

Community purpose

Why does the community exist? What problems does it solve, and for who?

Community goals

What does success look like for the community, what would you like to look back and celebrate in a year, what will you do first to get there?
